

2018 SPRING NEWSLETTER

Dear Valued Customer:

Here, the days are getting longer, snow has been melting and we have even seen a few robins in the yard. It must be spring! This past winter I have been busy putting together an assortment of books, minerals and mining memorabilia items for you to view in this Spring Newsletter. I hope that you find a few items that you will want to order. Please let me know if you are looking for any special books?

ALL BOOKS ARE MAILED TO YOU POSTPAID IN THE USA. Wisconsin residents please add 5% state sales tax to your order. Please make payment by check or money order. Prices in this Spring Newsletter supersede any prices listed in previous Newsletters or pricelists. I can insure your package for \$2.70. Please advise if you want your shipment insured? I can also ship by Priority Mail and Fed Ex for an extra charge. Customers in Canada and overseas must include extra payment for shipping costs. I reserve the right to correct any typographical errors. All dimensions and weights listed, are approximate.

SPECIAL FEATURED PRODUCTS - Only one of each item is available. Sizes are approximate.

FP87 THE STORY OF MINING IN CORNWALL: A WORLD OF PAYABLE GROUND by Allen Buckley, 2005. "A significant step forward in the study of Cornish mining history. This is the first sustained attempt to embrace the entirety of the subject's history, from the most ancient to the modern period; the first to examine all aspects of the industry in one integrated volume, embracing quarrying and the minor metallic minerals alongside the better known copper and tin; and the first try systematically to set the industry within the wide political and social context of the country." Large size, a beautiful book, 240 pages, color and black & white photos, illustrations, hardcover, dust jacket. (Used book) Scarce! \$125.00 pp.

FP88 FREE GOLD: THE STORY OF CANADIAN MINING by Arnold Hoffman, 1958. The story of Canadian mining with an emphasis on the rise and growth of the Canadian mining industry. 420 pages, photos, illustrations, index, hardcover, dj. \$20.00 pp.

FP89 DuPONT BLASTERS' HANDBOOK by E.I. duPont de Nemours & Company, Inc. 1953. (Used book) 1953 Sesquicentennial Edition. "A manual describing explosives and practical methods of using them." 479 pages, photos, illustrations, index, hardcover. \$35.00 pp.

FP92 A COLLECTOR'S GUIDE TO ANTIQUE MINERS' CANDLESTICKS by Wendell E. Wilson & Ted Bobrink, 1984. (Used book) This is a very scarce definitive book on candlesticks! Excellent sketches of each candlestick that were done by Wendell Wilson. Large size, 146 pages, photos, sketches, index, softcover. \$300.00 pp.

FP93 GOLD OCCURRENCES OF COLORADO by Mark W. Davis & Randall K. Streufert, 1990. (Used book) Colorado Geological Survey Resource Series 28. Large size, 101 pages, maps, folded maps in back pocket, softcover. \$32.00 pp.

Used & Out-of-print Books. Please note that only one copy of each book is available. Books may have the former owner's name, inscription, book plate or price sticker on the book.

S806 RUDIMENTS OF MINING PRACTICE by C.E. Gregory, 1983. This book is based upon the author's 34 years of experience as a hardrock miner, mining engineer, mining executive and mining professor. 141 pages, photos, illustrations, hardcover. \$30.00

S807 GEOLOGY OF URANIUM DEPOSITS IN THE FRONT RANGE, COLORADO by P.K. Sims & D.M. Sheridan, 1964. USGS Bulletin 1159. 116 pages, figures, tables, 5 plates in pocket, softcover. \$30.00 pp.

S810 THE MINES OF COLORADO by Ovando James Hollister, 1867. Reprinted 1974. This book is one of the largest and most detailed compilations on Colorado mining containing descriptions of over 165 mining enterprises and 95 stamp mills. 450 pages, hardcover, dust jacket. \$35.00 pp.

S822 SPECIAL COLLECTION OF 8 DIFFERENT "SHARP BITS." This was a publication of the Homestake Gold Mine Company, Lead South Dakota. Excellent color photos, softcover. All 8 copies for only \$35.00 pp.

S823 SPECIAL COLLECTION OF 15 DIFFERENT MINING RELATED BROCHURES, BOOKLETS, ETC. - Includes mining company publications. Nice selection for only \$30.00 pp.

MINING MEMORABILIA - Only one of each item is available. All measurements & weighs are approximate. Mailed postpaid.

MM380 NEW JERSEY ZINC CO. BRASS TAG - 1 1/2" diameter. At the top of the tag is N.J. Zinc Co., below is Mines, below in large numbers is 2905 and at the bottom is Franklin, NJ. \$35.00 pp.

MM381 NEW JERSEY ZINC CO. WORK CHECK - Eight sided, steel tag, size 1 5/8" x 1 5/8". At the top of the tag is New Jersey Zinc Co. logo, below is Franklin N.J., below is WORK CHECK and at the bottom is 2501. \$30.00 pp.

MM382 COPPER RANGE/WHITE PINE POCKET KNIFE - An attractive pocket knife with the Copper Range/White Pine logo in red & black on a stainless steel finish. On

the reverse side in black lettering is National Safety Council Award of Honor. 1976 White Pine Copper Co. A neat mining item! \$30.00 pp.

MM384 WHITE PINE COPPER ANVIL - From the White Pine Mine, White Pine, Michigan, this copper anvil is 4" long x 1" wide x 1 3/4" high. Nice patina on the copper. \$36.00 pp.

MM385 PHOTO - A framed photo of Cliffs Shaft Mine, Keweenaw County, Michigan. Size of photo, 8" x 10". Size with wood frame, 9" x 11". \$25.00 pp.

MM387 SHENANGO MINE BRASS TAG - 1 1/4" diameter. At the top is SHENANGO in the center, 427 and at the bottom Mine. The Shenango Mine was located in Minnesota. \$30.00 pp.

MM388 OLIVER IRON MINING COMPANY BRASS TAG - Eight sided brass tag, size 1 1/2" x 1 1/2". At the top of the tag is Chisholm District, below O.I.M. Co. At the bottom is 1236. Oliver had mining operations in Minnesota. \$30.00 pp.

MM389 STOCK CERTIFICATE INDIANA MINING COMPANY - Incorp. Under the General Mining Laws of Michigan. Gray & black color on a beige background. 100 shares, large vignette at the top center of the certificate. Issued, November 20, 1925. \$95.00

MM390 STOCK CERTIFICATE SENECA COPPER CORPORATION - Incorporated Under The Laws of the State of New York . The Seneca Mine was located in Keweenaw County, Michigan. Brown & black color on a beige background. 100 shares, a nice mining vignette at the top center of the certificate. Issued December 28, 1922. A sale form with revenue stamps is attached to the back of the certificate. \$60.00 pp.

MM391 CLEVELAND CLIFFS BRASS BELT BUCKLE - Size 3 1/2" x 2". At the top is: Team Safety Award; in the center of the buckle is a large company logo and at the bottom is Cleveland-Cliffs. The edge of the buckle and the lettering and logo are polished. The background is dark. Manufactured in 1984 by Anacortes Brass Works, Ltd. Sharp looking! \$35.00 pp.

MM393 FEDERAL LEAD COMPANY BRASS TAG - Federal Lead Co. had mining operations in Flat River, Missouri. Oval shape, size 2" x 1 3/8". At the top is FEDERAL LEAD Co.; in the center in large numbers is 9291; at the bottom of the tag, Flat River, MO. \$30.00 pp.

MM394 FRAMED PHOTO - This photo shows a miner underground in a Michigan copper mine standing on a steep incline, examining the rock. The size of the photo is 8" x 10". The size of the framed photo is 12" x 10 1/4". Circa 1900's. \$25.00 pp.

MM396 PICKANDS MATHER & CO. PURITAN MINE BADGE – This mine was located in the Ironwood, Michigan area. The badge is 1 ½” in diameter; steel, with the front of the badge polished. At the top of the badge is Pickands Mather & Co; In the center is 641 and at the bottom Puritan Mine. \$45.00 pp.

MM397 WHITE PINE MINE COPPER INGOT – This copper ingot is 3 ¼” x 3/8” x 5/8”. Stamped on the top of the ingot, on the left hand side is W; in the center is P and on the right hand side C. The White Pine Mine is located in White Pine, Michigan. Made in the 1970’s. These are getting hard to find. \$48.00 pp.

POSTCARDS – Check out these interesting postcards!

PC66 EAGLE SAMPLER, CRIPPLE CREEK DISTRICT, COLORADO – Color card. A large US flag flies on top of the mine shaft. There are two ore trains in the foreground. \$8.00 pp.

PC67 THE MINE THAT WE VISITED AT CRIPPLE CREEK, ABE LINCOLN – Published by Geo. W. Wright; black & white card. A really good view of the mine. \$8.00 pp.

PC70 ECONOMIC MILL, CRIPPLE CREEK DISTRICT – Color view of this interesting mine, 1906. \$8.00 pp.

PC73 SCENES OF THE COL. SPGS. AND CRIPPLE CREEK DIST. RY, PORTLAND AND INDEPENDENCE MINES, VICTOR, COLORADO An interesting color card. \$8.00 pp.

PC74 AJAX MINE, VICTOR, COLORADO – Color card. (Two tiny holes near the top of the card. \$7.00 pp.

PC82 MOLLY KATHLEEN MINE, CRIPPLE CREEK, COLORADO – Color card showing a miner with an air drill in the underground workings of the mine. \$5.00 pp.

PC83 YONDER LIES CRIPPLE CREEK: WORLD’S GREATEST GOLD CAMP – Color card showing a prospector and his donkey carrying the prospecting tools. By Colourpicture Publishers, Inc. \$4.00 pp.

PC86 HISTORIC MATCHLESS (TABOR) MINE – Leadville, Colorado. Sepia card with an interesting view. (the card was mounted in a book as reminders of the mounts are on the backside, but otherwise the card is in excellent condition. \$7.00 pp.

PC90 INDEPENDENCE MINE AND BATTLE MOUNTAIN – Cripple Creek District; Color view, circa 1906. Interesting stamp. \$8.00

PC94 PLACER MINING AND MOUNT OF THE HOLY CROSS, SOUTH PARK DIV. C & S, COLORADO – Black & white view. Published by Barkalaw Brothers, Denver, Colorado. \$8.00 pp.

PC95 LONE STAR NO. 1 URANIUM RADON MINE, IDAHO SPRINGS, COLORADO – Black & white view. The mine was located on U.S. Highway 6. \$8.00

PC98 VICTOR COLORADO – Color view of the mines and town. \$7.00 pp.

PC99 ARGO TUNNEL AND MILL, IDAHO SPRINGS, COLORADO – Great black & white view of the mine and mill. \$8.00 pp.

PC100 ORE CAR LOADED FOR THE DUMP – This is a really neat card, showing three miners, one pushing an ore car near the entrance to the mine. \$7.00 pp.

PC102 WHERE GOLD WAS FIRST DISCOVERED IN COLORADO – CLEAR CREEK CANON – Color view of prospectors panning for gold. Circa 1919. \$7.00 pp.

PC103 PANNING GOLD – An interesting old color view of three miners panning for Colorado gold. Copyright 1898 by M.M. Rhoads, Denver, Colorado. (Crease upper r.h. corner) \$7.00 pp.

H144 GOLD GAMBLE by Roberta Martin Starry, 2003. An exciting historical account of the gold mining days of the Rand District of California's upper Mojave Desert. From the mining boom of the 1890's to the bootleggers of the 1930's fascinating stories are told here, brought to life through 71 historical photographs. Large size, 164 pages, photos, softcover. \$24.95 pp.

The following books were written by gold prospector Delos Toole. Each book contains maps with directions to gold sites, old mine locations, hand-drawn maps with points of interest to the gold fields and geological information of localities. Books are large size with softcover. Each book is \$24.95 pp.

H WHERE TO FIND YANKEE PLACER GOLD 144 pages.

H11 WHERE TO FIND GOLD IN CALIFORNIA 141 pages.

H20 WHERE TO FIND ARIZONA'S PLACER GOLD 144 pages.

H21 WHERE TO FIND GOLD IN OREGON 156 pages

The following publications are partial reprints of the Proceedings of the Colorado Scientific Society. Each publication is 6 ¼" x 9 ½", softcover. These publications are getting scarce! I have only one copy of each publication.

CS1 TEST OF THE CORLISS ENGINE AT THE SARATOGA MINE, CENTRAL CITY
by Thomas Wilkerson, May 1901. Volume 7, pages 23 -40, softcover. \$25.00 pp.

CS2 CORRELATION OF COLORADO YULE MARBLE AND OTHER EARLY
PALEOZOIC FORMATIONS ON YULE CREEK, GUNNISON COUNTY, COLORADO
by John W. Vanderwilt & Harry C. Fuller, 1935. Volume 13 No. 7, pages 440 - 464.
\$35.00 pp.

CS4 SUGGESTIONS FOR PROSPECTING IN THE ALMA DISTRICT, COLORADO by
Quentin D. Singlewold and B.S. Butler, 1953. Volume 13 No. 4 pages 90 - 130, fold-out
maps. \$40.00 pp.

CS5 GEOLOGIC HISTORY OF THE FRONT RANGE, COLORADO by T.S. Lovering,
1929. Volume 12 No. 4, pages 59 - 111. \$25.00

CS6 PRELIMINARY REPORT ON THE KOKOMO MINING DISTRICT, COLORADO
by A.H. Koschmann & F.G. Wells, 1946. Volume 15 No. 2, pages 51 - 112. \$75.00 pp.

CS7 GENERAL FEATURES OF COLORADO FLUORSPAR DEPOSITS by Doak C. Cox,
1945, Volume 14 No. 6, pages 263 - 285. \$20.00 pp.

CS9 GEOLOGY OF THE SAWATCH RANGE, COLORADO by J.T. Stark & F.F. Barnes,
1935, Volume 13, No. 8, pages 468 - 504, fold-out maps. \$35.00 pp.

H810 CALICO MEMORIES by Lucy Bell Lane, 1993. "The author gives the reader
insight and perspective into mining and her life-long role in Calico's history." Large
size, 173 pages, photos, index, softcover. \$23.00 pp.

H188 GHOST TOWNS & MINING CAMPS OF CALIFORNIA: A HISTORY & GUIDE
by Remi Nadeau, 1999. A lively and well-illustrated account of the mining towns of
California as they were and as they are. 321 pages, photos, index, softcover. \$19.95 pp.
(Two available)

H925 OURAY & SAN MIGUEL MINING 1882-3 by William Weston, 2006. In late 1882
and 1883, William Weston, a mining engineer and promoter corresponded with Denver
newspapers about the mines of Ouray County. Eventually this rare publication which
gives details about every active Colorado mine at the time, came about as a result of the
correspondence. 164 pages, 45 photographs and illustrations, map, softcover. \$19.95 pp.

H529 PAY DIRT: FORTUNES AND MISFORTUNES OF AN ALASKA GOLD MINER
by Otis Hahn & Alice Vollmar, 1998. Mining in Alaska's remote and primitive
backcountry became the challenge of a lifetime. Otis Hahn's absorbing story is told

straight from the heart with honesty and humor. 158 pages, map, softcover. \$17.95 pp.
(Two available)

H776 THESE CANYONS ARE FULL OF GHOSTS; THE LAST OF THE DEATH VALLEY PROSPECTORS by Emmett C. Harder, 2001. In these pages you can step back in time when men and women, with pick and shovel were working their mining claim. 224 pages, photos, index, softcover. An interesting book! \$19.95 pp.

H310 A GOLD CAMP CALLED SUMMITVILLE by Richard C. Huston, 2012. "In this book, the area's geology, its mining bonanzas, and personal recollections and revelations are woven together to paint an accurate picture of the company town of Summitville, its top producing gold mines, and those who worked and lived at its rugged and demanding elevations above 11,000 feet in Colorado's mineral-rich San Juan Mountains." 190 pages, photographs, index, softcover. \$18.95 pp.

H161 A HISTORY OF COPPER MINING IN CORNWALL AND DEVON by D.B. Barton, 1978. This book is devoted solely to the history of the copper mines of West of England and traces the development of the industry from its pioneer Elizabethan days through the years of greatness from 1750 to 1850 – when Cornwall dominated the world's copper markets – to the final decline in the closing years of the nineteenth century. 96 pages, illustrations, softcover. \$18.00 pp.

H1271 RAILROADS THROUGH THE COEUR d' ALENES by John Wood, 2016. The Coeur d' Alene Mining District, the silver capital of the country, is well over 100 years old. These many years have held periods of both wild excitement and others of deep depression. Through it all the railroads played a vital role. This then, is the pictorial history of the railroads that served an area that has produced wealth far exceeding that of the famed Comstock Lode of Nevada. Large size, 292 pages, photos, illustrations, map, hardcover, dust jacket. An excellent book! \$54.00 pp.

H1269 LIFE IN THE GHOST CITY OF RHYOLITE, NEVADA by Betsy Ritter, 2012. (Reprint) The author (aka Mrs. Elizabeth Clemens, wife of Rhyolite Herald editor Earle R. Clemens) revisits the bustling life of the Bullfrog Mining District with memories of the fast and furious times of Rhyolite. . Large size, 56 pages, photos, softcover. \$18.00 pp.

H1264 COLLECTOR'S GUIDE TO SILICATES: Di and RING SILICATES by Robert J. Lauf, 2017. This book explains the structural relationships among di and ring silicate minerals. Known for their hardness and brilliant colors, and the geological conditions that create the beautiful crystals prized by collectors. The minerals are arranged systematically to emphasize how they fit into structural groups, and generously illustrated with nearly 600 structure diagrams, color photos, and drawings. Large size, 272 pages, 580 color images, extensive bibliography, hardcover. \$49.00 pp.

H1268 LAS VEGAS & TONOPAH RAILROAD: THE GOLDFIELD ROUTE by Phil Serpico, 2017. An historical account of the rise and demise of the LV & T (1905-1919) and its service to the gold and silver mining districts of southern Nevada, including Tonopah, Goldfield, Bullfrog and Rhyolite. Large size, 160 pages, photos, illustrations, maps, comprehensive locomotive rolling stock and station name material, hardcover. \$44.00 pp.

H547 MINING THE HARD ROCK by John Marshall and "Zeke" Zanoni, 1996. A rare collector's gem, written about mining in the San Juans. Loaded with local mine histories, stories, and interviews dealing with hardrock mining, "a calling of peculiar dignity." Large size, 216 pages, photos, glossary, hardcover. \$32.95 pp.

H852 CHANGING MINES IN AMERICA by Peter Goin & C. Elizabeth Raymond, 2004. "Most Americans today view mines as little more than ugly scars on the landscapes, places with no connection to an American way of life. This creative book by the authors however, will force many to rethink that impression. The authors present eight visual and historical essays that examine eight mining sites across the United States and their roles in American history and culture. The volume's engaging writing and striking photographs show how mines are not simply physical degradations, but rather unique cultural artifacts of the American landscape." Large size, 240 pages, color photos, illustrations, hardcover. Special \$50.00 pp.

CI1 COPPER INGOT - From Michigan's "Copper Country." Size 2 3/4" x 3/4" x 3/4". No markings on this ingot. \$28.00 pp.

CI2 COPPER INGOT - From Michigan's "Copper Country." Size 2 5/8" x 5/8" x 7/8". No markings on this ingot. \$20.00 pp.

CI3 COPPER INGOT - Another copper ingot from Michigan's "Copper Country." Size 1 3/4" x 1/2" x 1/2". No markings on this ingot. \$18.00 pp.

H1255 TAILINGS OR THE TREASURE: MEARS & WILFLEY MILL by David L. Thayer & Douglas R. Thayer, 2016. "This is an interesting story of how Otto Mears, the "Pathfinder of the San Juans" and the builder and operator of toll roads and railroads, and Arthur Redman Wilfley, the inventor of a shaking table used to separate the valuable minerals from valueless rock, joined forces in a new enterprise that excited the nation and enriched the region for a time." 320 pages, excellent photos and illustrations, index, softcover. This has been a very popular book! \$27.95 pp.

H1263 BACHELOR, COLORADO HISTORY OF A SAN JUAN MINING GHOST TOWN by Charles A. Hanbent, 2017. Read about the exciting story of a ghost town whose candle burned brightly for a short period of twenty years only to return to its natural state as a high mountain meadow. 196 pages, photos, softcover. Another popular book! \$21.95 pp.

MM371 CHRYSOCOLLA IN COPPER ORE POLISHED DRILL CORE - Bumbletown Hill, Calumet Township, Michigan. This drill core is approximately 2 1/8" x 1 1/2" diameter. The entire drill core has been hand-polished showing the blue-green chrysocolla against the brown and red colored ore. Chrysocolla forms in the oxidation zones of copper ore bodies. A very unique piece! \$85.00 pp.

H645 FIFTY MINERALS THAT CHANGED THE COURSE OF HISTORY by Eric Chaline, 2012. Discover 50 of the metals, alloys, rocks and organic minerals and gemstones that humans have used as the building blocks of civilization. Large size, 224 pages, photos, index, hardcover. A really interesting book! \$29.95 pp.

L10 MICHIGAN GOLD & SILVER: MINING IN THE UPPER PENINSULA by Dan R. Fountain, 2013. Michigan Gold & Silver tells the powerful saga of the effort to extract "paying" quantities of the precious metals from a reluctant earth. The author tells the stories of these quests for the precious metals. Spanning the U.P. in geography and in time, he takes the reader from silver deposits in Wakefield to gold veins in Marquette, from tiny one-man exploration shafts to the mechanized mining of the modern era. 264 pages, photos, maps, index, softcover. An excellent book! \$19.95 pp.

MINERAL SPECIMENS - Please note that only one of each specimen is available. Dimensions and weights are approximate. Dimensions are in inches.

MM222 COPPER IN SHALE - White Pine Mine located in White Pine, Michigan. Size 3 1/2" x 1 1/4". A vein of sheet copper goes from the bottom of the specimen and protrudes approximately 1" out of the top of the shale. The sheet copper protruding out is approximately 1" wide. An aesthetic specimen with the copper contrasting with the black shale. \$20.00 pp.

MM225 FLAMBEAU MINE POLISHED DRILL CORE - The Flambeau Mine was located in Ladysmith, Wisconsin. This interesting drill core is 1 3/8" in diameter x 4 1/2" long and is cut on a bevel. One end has been cut flat so the drill core can be displayed vertically. The drill core is beautifully polished, thus showing the rich ore. This specimen displays well! Comes with a color postcard showing the mine, as well as two mine brochures. \$49.95 pp.

MM226 GOLD ORE - A neat gold ore cross-section slab from the Ropes Gold Mine which is located in Marquette County, Michigan. Size 7 1/4" x 6" x 5/16" thick. Makes a nice display piece! \$40.00 pp.

MM227 GOETHITE - From the Cary Mine, located in Iron County, Wisconsin. Shows some nice botryoidal ore from a difficult to obtain locale. Size 3 1/2" x 2" x 1 3/4". \$52.00 pp.

MM228 COPPER & SILVER – A really nice specimen from the Superior Mine, Houghton County, Michigan. This specimen is 2" x 1" x ¾". A large piece of silver sits on the right-hand corner of the specimen. An aesthetic specimen! \$50.00 pp.

MM232 COPPER & SILVER – Another neat specimen from the Superior Mine, Houghton County, Michigan. This specimen is 2" x 1 ¼" x ½". A nice chunk of silver is perched on the right-hand side of the copper. Displays well! \$40.00 pp.

MM234 BARITE – Copper Harbor Conglomerate, Ontonagon County, Michigan. Size 1 ¾" x 1 ¾" x 5/8". A nice plate of barite crystals. Displays well. \$22.00 pp.

MM238 DATOLITE – Delaware Mine, Keweenaw County, Michigan. Size 2" x 1 ¼" x 1 ½". Pretty pink and grey color with dark veins. Polished face. An excellent specimen from this well-known mine. \$125.00 pp.

MM240 COPPER & AGATE – From the Wolverine #1 Mine, Houghton County, Michigan. These copper and agate specimens are not only unusual, but also scarce. This specimen is 7/8" long x ½" high. There is agate on both the right-hand and left-hand sides, with copper down the center. Mounted on a clear plastic stand. \$45.00 pp.

MM241 COPPER & AGATE – From the Wolverine #1 Mine. The size of this specimen is ¾" x ¾". Large area of agate, with a copper banding and nice area of copper that sets off this specimen. An aesthetic specimen. Mounted on plastic stand. \$65.00

FP74 AN EMPIRE OF SILVER by Robert L. Brown, 1986. A beautiful book produced by Sundance Publications Ltd. This book covers mining in the San Juan Country of Colorado. Large size, 224 pages, excellent color, sepia and black & white photographs, plastic dust cover. A book that you will be proud to have in your library. \$75.00 pp. (One available)

MIR MINE INSPECTOR'S REPORT FOR HOUGHTON COUNTY, MICHIGAN FOR 12 - MONTH PERIOD ENDING DECEMBER 31, 1962. Erick Hiltunen Mine Inspector. \$9.00 pp. (Two available)

H471 THE STORY OF MINERAL POINT 1827-1941 by Marie G. Dieter, 1941. Reprinted and published by the Mineral Point Historical Society. Here is the history of Mineral Point, Wisconsin with its lead and zinc mines, a rich Cornish history and a town that keeps its history alive. 178 pages, illustrations, softcover. \$21.95 pp. (Two available)

W714 COLLECTION OF 18 ISSUES OF "THE RED METAL NEWS" - This publication was published by Calumet & Hecla, Inc., Calumet, Michigan. It was published for its employees. Each issue is 12" x 9" in size. Numerous photos are in each issue. Collection of 18 different issues, mailed postpaid. \$80.00

H996 HISTORIC SITE STUDIES SPECTRAL MINING CAMPS by William C. Davis, 2005. The author discusses a number of Nevada's historic mining towns. An informative book! Large size, 114 pages, photos, softcover. \$22.00 pp. (One available)

IC1 IRON CLIFFS COMPANY NEGAUNEE, L.S. MICH. BANK DRAFT - This was a negotiable draft and was payable when presented at the bank. This bank is the Third National Bank in New York. Size 8 1/2" x 3 1/2". There is a large mining vignette and a small vignette. Brown color on a beige background, 1872. Large revenue stamp on the left-hand side. Issued. \$25.00 pp.

IC2 IRON CLIFFS COMPANY NEGAUNEE, L.S. MICH. BANK DRAFT - Same as above except issued in 1871. Two revenue stamps are on the left-hand side. Paid by The National Bank of New York. Issued. \$25.00 pp.
