

2019 WINTER NEWSLETTER

Dear Valued Customer:

I hope that you had a great holiday season and are now looking forward to this new year. Wow! Last year we seem to have gone from winter to summer and now we are back to winter. Trying to locate books and related items that might be of interest to you is always an enjoyable challenge. Hopefully, you will like the selection of items that are listed in this Newsletter. Remember, if you are looking for any special books, etc., please let me know. Your business is always appreciated!

ALL BOOKS ARE MAILED TO YOU POSTPAID IN THE USA. Wisconsin residents please add 5% state sales tax to your order. Please make payment by check or money order. Prices in this Winter Newsletter supersede any prices listed in previous Newsletters or pricelists. I can insure your package for \$3.50. Please advise if you want your shipment insured? I can also ship by Priority Mail and Fed Ex for an extra charge. Customers in Canada and overseas must include extra payment for shipping costs. I reserve the right to correct and typographical errors. All dimensions, and weights are approximate.

SPECIAL FEATURED PRODUCTS – Only one of each item is available. Sizes are approximate.

FP98 SUPERIOR HEARTLAND: A BACKWOODS HISTORY by C. Fred Rydholm, 1989. Volume II Books III & IV. The two volumes that Fred wrote are considered to be the most complete chronicle of the history of the Central Upper Peninsula of Michigan. 738 pages, photographs, maps, plates, index and bibliography. Cloth binding with gilt stamped lettering on cover and spine of book. Privately published. New copy! \$125.00 pp. (one available).

FP99 AN EMPIRE OF SILVER by Robert L. Brown, 1986. A beautiful book produced by Sundance Publications Ltd. This book covers mining in the San Juan Country of Colorado. Large size, 224 pages, excellent color, sepia and black & white photographs, plastic dust cover. A book that you will be proud to have in your library! \$75.00 pp. (one available).

FP100 GOLD & SILVER OR SWEAT & TEARS by Joel K. Waterland, 1988. This is the history of the Bald Mountain, Ruby Basin and Garden City Mining Districts, Black Hills of South Dakota. 244 pages, photos, maps, index, beautiful binding & hard covers. \$115.00 pp. (one available).

FP101 THE SPAWN OF THE MOTHER LODE by Joel Waterland, 1987. The story of placer, conglomerate and Precambrian mines of the Lead and Deadwood, South Dakota area. 268 pages, photos, maps, illustrations, index, beautiful binding and hardcovers. Autographed copy. \$115.00 postpaid. (one available).

FP102 GOLD BELT CITIES: CITY OF MILLS VOLUME III by Don Toms, 1993. This is a scarce large size book, full of great photos of the Homestake Mining Company and the city of Lead, South Dakota. Many of the photos have not been published before. Only 1,500 copies of this book were published. Large size, 240 pages printed on high- quality gloss enamel paper, 9" x 12", hardbound with approximate 500 historic photographs. \$110.00 pp. (one available).

H97 MINERALS OF THE LAKE SUPERIOR IRON RANGES by George W. Robinson & Gene L. LaBerge, 2013. The Lake Superior region is world-renowned for the vast deposits of iron ores that occur in Minnesota, Michigan, Wisconsin and Ontario, Canada. This is a beautiful book covering the minerals from these areas. Large size, 58 pages, superb color photos, references, softcover. \$35.00 pp. (two available)

H435 THE COLORFUL HISTORY OF MINING IN THE KEWEENAW COPPER COUNTRY by Tauno Kilpela, 2002. An interesting history of mining in the Keweenaw from approximately 1840's to 1929. Large size, photo, maps, softcover. \$15.95 pp. (2 avail.)

H1255 TAILINGS OR THE TREASURE: MEARS & WILFLEY MILL by David L. Thayer & Douglas R. Thayer, 2016. "This is an interesting story of how Otto Mears, the "Pathfinder of the San Juans" and the builder and operator of toll roads and railroads and Arthur Redman Wilfley, the inventor of a shaking table used to separate the valuable minerals from valueless rock, joined forces in a new enterprise that excited the nation and enriched the region for a time." 320 pages, excellent photos and illustrations, index, softcover. **This has been a very popular book!** \$27.95 pp.

H1263 BACHELOR, COLORADO HISTORY OF A SAN JUAN MINING GHOST TOWN by Charles A. Hanbent, 2017. Read about the exciting story of a ghost town whose candle burned brightly for a short period of twenty years only to return to its natural state as a high mountain meadow. 196 pages, photos, softcover. **Another popular book!** \$21.95 pp.

H802 SNOWFLAKES AND QUARTZ by Louis Wyman, 1993. The author covers the early mining days along with stories about the early days in the San Juan Mountains. Interesting reading! 133 pages, numerous photos, softcover. \$17.95 pp.

H618 SOUTH CROFTY OLD WORKINGS by Deakin, Buckley, & Riekstins, 1999. The workings of South Crofty Mine extend over an area of nearly two square miles, and include scores of ancient mine setts, some of which like Dolcoath, Carn Brea, Tincroft and East Pool were large and important mines. 32 pages, color and black & white photos, softcover. \$9.95 pp.

H882 THE TREASURE OF HOMESTAKE GOLD by Mildred Fielder, 1984. This is a story of a mountain filled with gold. The author traces the fascinating discovery and development of the Homestake Mine. 478 pages, photos, index, hardcover, d.j. \$25.00 pp.

H455 A BUCKEYE IN THE LAND OF GOLD: THE LETTERS AND JOURNAL of William Dennison Bickham, edited by Randall E. Ham, 1996. Lively, detailed and reflective, Bickham's California Gold Rush letters and diary are among the finest writings about the California Gold Rush. 286 pages, maps, drawings, bibliography, index, hardcover. Limited to 700 copies. \$39.95 pp. (2 available)

H1228 A HISTORY OF GOLD DREDGING IN IDAHO by Clark C. Spence, 2016. The author focuses on the two most important types of dredges in the state – the bucket line dredge and the dragline dredge. This book is a significant contribution to the knowledge and understanding of western mining. 336 pages, 24 figures, index, hardcover. \$60.00 pp.

MINING MEMORABILIA—Only one of each item is available. All measurements and weights are approximate. Mailed Postpaid

MM425 COPPER ICE SKATE – From Calumet & Hecla Mining Company, Calumet, Michigan. Size 2 ¾" x 2" high. These ice skates are very scarce! \$125.00 pp. (One available)

MM426 WHITE PINE COPPER TEST BAR – This conical shaped bar is 4" long x ½" diameter at one end and 3/8" diameter at the other end. This test piece was sent to the lab for analysis or assay testing Weighs 3.5 ounces. \$30.00 pp.

MM429 WHITE PINE COPPER ANVIL – From the White Pine Mine, White Pine, Michigan. This copper anvil is 3" long x 5/8" wide x 1 ¾" high. Nice patina on the copper. \$36.00 pp.

MM430 INTERNATIONAL UNION OF MINE, MILL, & SMELTER WORKERS PIN – The pin is orange and white with Shop Stewart in black lettering across the center of the pin. Around the edge of the pin is International Union of Mine, Mill, & Smelter Workers. Mounted in a plastic display case. The size of the pin is 1 ¼" diameter. A neat looking pin! \$30.00 pp.

MM431 KENNECOTT COPPER CORP. MEDALLION – Oval shaped: 1 5/8" x 1". Across the top of the medallion is Kennecott Copper Corp. In the center to the left is Hurley, NM; in the center is the Kennecott logo and to the right Santa Rita. At the bottom is Chino Mines Division. On the reverse side is an aerial view of the mine. \$20.00 pp.

MM432 PICKANDS MATHER & COMPANY EMPLOYEE PIN – This metal pin is 1 ½" in diameter. At the top is Pickands Mather & Co. In the center in large numbers is 479. At the bottom is **Newport Mine**. \$45.00 pp.

MM433 PICKANDS MATHER & COMPANY EMPLOYEE PIN – This metal pin is also 1 ½" in diameter. At the top is Pickands Mather & Co. In the center in large numbers is 607. At the bottom is **Puritan Mine**. \$45.00 pp.

MM434 COPPER RANGE/WHITE PINE COPPER CO. TAPE MEASURE 1976 – Sharp looking Zippo stainless steel tape measure. On one side in blue, green and gold colors is printed; "National Safety Council Award Of Honor For An Outstanding Safety Performance White Pine Copper Co. 1976." The Safety Council logo is in green color. On the reverse side in orange and black is Copper Range at the top and White Pine at the bottom of the logo with Lake Copper in black print through the center. \$30.00

MM437 CALUMET & HECLA BALL-TOP METAL STRAP SEAL – Approximately 8" long x 3/8" wide. C & H Corp. are in raised letters. 619 are embossed on the end. These seals were used to protect cargo against tampering and theft. \$17.00 pp.

MM438 M.A. HANNA CO. FINGER NAIL FILE MULTI-PURPOSE TOOL - This tool was made by Master Clipper. It is made of steel, includes a nail clipper, nail file, bottle opener and screwdriver. On the inside of the tool is M.A. Hanna Co: Iron River, Michigan: Safety First. \$20.00 pp.

MM441 NEW JERSEY ZINC COMPANY TIME CHECK – Oval shaped, 1 ¾" high x 1 ¼", steel. Near the top is N.J. Zinc Co.; Below is 1283: below is Mines and at the bottom is Franklin, NJ. \$30.00 pp.

MM442 EMPIRE MINE 50 MILLIONTH TON OF PELLETS MEDALLION – The Empire Mine is located in Marquette County, Michigan. The medallion is 2 ¾" in diameter with a pewter finish. On the front of the medallion is a view of the Empire Autogenous Grinding Mills. On the reverse side is a mine shovel loading ore into a mining truck. At the bottom is Empire Mine 50 Millionth Ton July 1978. \$50.00 pp.

MM443 ATLAS NO. 2 BLASTING CAP CRIMPER TOOL – 7" long, the Atlas logo with No. 2 is on one of the handles. \$59.95 pp.

THEN & NOW OVERLAY MAP SERIES: Detailed map series showing changes to ghost towns and other sites of historic interest over the last 100 years. Each map packet includes current overlay maps of the state or region along with additional antique turn-of-the-century twentieth century maps of the same areas for easy comparison; up to 6 individual maps in each packet. \$17.95 each postpaid.

H1140 A BRIEF ILLUSTRATED HISTORY OF VULCAN, MICHIGAN AND THE REOPENING OF THE MINE FOR TOURISTS by Dennis Carollo, 2018. The first part of this book deals with the discovery of iron in Upper Michigan. The second part of the book deals with the discovery of the mine tunnel which is now used for the Iron Mountain Iron Mine tours. Includes information on the equipment, as well as photos never published before of workers in the mine in the 1930s and 1940s. Many photos from the 1950s, when the tour was started, are included. There is also information on underground mine lighting, mining terminology, etc. Large size, 54 pages, photos, softcover. \$15.95 pp.

H378 KILLIFRETH MINES AND EARLY MINING AT CHACEWATER by Allen Buckley, 2011. For over 500 years the men of Chacewater have mined the valuable metallic ores which lay deep beneath the surface. 52 pages, photos, softcover. \$10.95 pp.

H1004 HAZARDS & HEROES IN CORNISH MINES by Allen Buckley, 2010. Accidents in Cornish mines were only too frequent. Miners lived with the hazards of fire, flooding, exhaustion, rock falls and explosions. 48 pages, photos, softcover. \$10.95 pp.

H1003 INTRODUCTION TO RADIOACTIVE MINERALS by Robert Lauf, 2008. The book contains a systematic overview of the mineralogy of uranium and thorium. The author shows the major occurrences of radioactive minerals arranged geographically. Large size, 144 pages, beautiful color photos, index, softcover. \$32.95 pp.

H410 THE BEST OF VIRGINIA CITY AND THE COMSTOCK by L.J. Ettinger. Discover the fascinating history of the Comstock Lode and the adventurous personalities involved. 64 pages, photos, softcover. \$8.00 pp.

H1134 FISTS FULL OF GOLD: HOW YOU CAN FIND GOLD IN THE MOUNTAINS AND DESERTS by Chris Ralph, 2011. The author has written the most complete guide to the art of prospecting from basic earth science to metal detecting, to panning and dry washing techniques, it's all here! Large size, 362 pages, photos, softcover. \$32.95 pp.

H1032 THE DRAGOON MOUNTAINS by Lynn R. Bailey, 2008. Beginning about 1879 and continuing well into the 20th century, many prominent citizens of Tombstone probed the Dragoons for mineral deposits. They were amply rewarded. Silver, gold, lead, copper and zinc were discovered and settlements sprouted with exotic names. 257 pages, photos, index, s.c. \$26.00 pp.

H924 THE MECHANICS OF OPTIMISM: MINING COMPANIES TECHNOLOGY AND THE HOT SPRINGS GOLD RUSH, MONTANA TERRITORY, 1864-1868 by Jeffrey J. SAFFORD, 2004. The author examines how gold mining ventures were developed and financed during and after the Civil War, and how men – primarily Easterners with scant knowledge of mining – were willing to invest large sums in gold mines that promised quick and lucrative returns. 185 pages, photos, index, hardcover, d.j. \$22.95 pp.

H764 ROCKY MOUNTAIN BOOM TOWN: A HISTORY OF DURANGO, COLORADO by Duane A. Smith, 1992. No complete history of Durango has ever been written until the author published this book. 218 pages, photos, index, softcover. \$29.00 pp.

H1170 MINERAL TREASURES OF THE OZARKS by Bruce L. Stinchcomb, 2014. Over 500 images represent the collectible minerals of the western Ozarks tri-state district and Missouri's Viburnum Trend. A focus of the book are those minerals that historically occur along the Ozark's extensive waterways. Large size, 160 pages, 521 color photos, softcover. \$34.00 pp

H1174 A KENNECOTT STORY: THREE MINES, FOUR MEN AND ONE HUNDRED YEARS 1897-1997 by Charles Caldwell Hawley, 2014. "The story of a mining company that helped shape modern economic and industrial history." This is a major contribution to the field of mining. 336 pages, photos, maps, hardcover, dust jacket. This is an excellent book! \$40.00 pp

H1287 "PATINA": A VISUAL REFERENCE GUIDE TO PREHISTORIC COPPER USE IN THE WESTERN GREAT LAKES REGION by Paul Schanen, 2018. This is probably the best reference book out there on prehistoric copper use in the western Great Lakes Region. Large size, 312 pages, 1,000 photos of prehistoric copper tools and artifacts, index, softcover. \$99.00 pp.

L12 MY HOME AT PRESENT by Duane Smith and Mark & Karen Vendl, 2013. Life in the San Juan Boarding Houses of the nineteenth century could be dangerous and exciting, but also deadly and boring. This totally illustrated history explains what life was like in the Colorado mountains away from home. 168 pages, illustrations, hardcover, dust jacket. One of my favorite books! \$39.95 pp.

H964 GHOST MINE MAPS: A GUIDE TO THE HISTORIC MINES OF THE BLACK HILLS OF SOUTH DAKOTA by Dale Baity. The author maps 2,300 square miles of the Black Hills and locates over 880 ghost mines. Each historic mine, mapped in this guide, is located by tier, range, section and quarter section. Alternate names and minerals mined at each location are listed. Large size, photos, softcover. \$33.00 pp.

H965 GHOST TOWN MAPS: A GUIDE TO THE HISTORIC TOWNS OF THE BLACK HILLS OF SOUTH DAKOTA by Dale Baity, 2006. The author maps nearly 400 ghost and historic towns and covers 2,300 square miles of the Black Hills of South Dakota. Each historic town mapped in this guide, is located by tier, range, section and alternate town names. Large size, 73 pages, s.c. \$33.00

H1168 THE COLLECTOR'S GUIDE TO HERKIMER DIAMONDS by Michael R. Water, 2014. This is the first published guide to Herkimer diamonds, striking quartz crystals, that include all important aspects of interest to anyone curious about this unique form of the mineral quartz. Large size, 96 pages, 219 color and 7 black & white photos, softcover. \$24.00 pp.

H94 "TOO TOUGH TO DIE" TOMBSTONE, ARIZONA: THE RISE, FALL AND RESURRECTION OF A SILVER CAMP, 1878 – 1990 by Lynn R. Bailey, 2004. Tombstone's mines were developed following principles established on the Comstock; its mills, engines, and hoists, all engineering marvels. By 1882 the Tombstone District had 130 stamps pounding on ore, more than any other mining region in Arizona. 398 pages, photos, index, softcover. \$29.00 pp.

H174 TROY, NEVADA & THE GREAT RANGE by Jeanne Sharp Howerton, 2018. Includes Grant and Quinn Canyon Ranges and the surrounding valleys. Prospecting and mining took place in this area, including the Troy Silver Mining Company. Large size, 88 pages, color and black & white photos, index, softcover. \$17.00 pp.

H1167 MINE TO MILL: HISTORY OF THE GREAT LAKES IRON TRADE: FROM THE IRON RANGES TO SAULT STE. MARIE by Phillip J. Stager, 2015. Discover the underground and huge open-pit mines on the iron ranges in Wisconsin, Michigan and Minnesota and ride the rails as the iron ore is moved from the mines to the giant loading docks at the Upper Lake port. 128 pages, 321 color photos, hardcover. \$34.00 pp.

H1167B MINE TO MILL: HISTORY OF THE GREAT LAKES IRON TRADE: FROM SAULT STE. MARIE TO THE LOWER LAKE PORTS by Phillip J. Stager, 2016. Book One ended at the international locks at Sault Ste. Marie; this book picks up at the Soo and proceeds to the Lower Lake Ports on Lake Erie and Michigan. Explore the wide variety of shore-based machinery to unload the iron ore. Large size. 128 pages, 323 color photos, hardcover. \$34.00 pp.

SPECIAL: Purchase a copy of both H1167 and H1167B for only \$62.00 postpaid. Save \$6.00!

H738 SHAFT FURNACES AND BEEHIVE CHARCOAL KILNS: A HISTORY OF SMELTING IN THE FAR WEST, 1860 – 1900 by Lynn R. Bailey, 2002. 247 pages, hardcover, foil stamped spine, dust jacket. Limited to 1000 copies. \$29.95 pp.

FB1 THE MINES AROUND & BEYOND by Joel K. Waterland, 1991. This book covers the history of Deadwood, Two Bit, Galena, Elk Creek, Box Elder Creek, Custer Peak, Carbonate Camp, Ragged Top, Iron Creek and Tinton Mining Districts, Black Hills of South Dakota. 424 pages, photos, maps, index, beautiful binding with gilt stamped lettering to cover and spine. New book! Scarce! \$100.00

USED & OUT-OF-PRINT BOOKS – Please note that only one of each book is available. Books may have the former owner's name, inscription, book plate or price sticker on the book.

FB2 THE COEUR d' ALENE MINING DISTRICT IN 1963 by E.F. Cook. Idaho Bureau of Mines and Geology Pamphlet 133. 1963. An interesting publication about this famous mining region. Large size, 104 pages, photos, illustrations, map, softcover. \$30.00 pp.

FB3 A SILVER LINING IN IDAHO MINING: A REVIEW OF THE IDAHO MINERAL INDUSTRY IN 1961 by E.F. Cook, 1962. *Idaho Bureau of Mines Information Circular No. 12*. Large size, 19 pages, illustrations, softcover. \$12.00 pp.

FB4 PROSPECTING FOR URANIUM, THORIUM AND TUNGSTEN IN IDAHO by Earl Ferguson Cook, 1955. *Idaho Bureau of Mines Pamphlet 102*. Large size, 53 pages, maps, softcover. \$40.00 pp.

FB5 GEOLOGY OF THE CLARK FORK QUADRANGLE IDAHO – MONTANA by J.E. Harrison & D.A. Jobin, 1963. *Geological Survey Bulletin 1141-K*. 38 pages, illustrations, plates in back pocket, softcover. \$11.00 pp.

FB6 EVALUATION OF MINERALS AND MINERAL POTENTIAL OF THE SALLMON RIVER DRAINAGE BASIN IN IDAHO by C.N. Savage, 1970. *Idaho Bureau of Mines and Geology Pamphlet 147*. Large size, 64 pages, maps, tables, softcover. \$20.00 pp.

FB7 CLAY DEPOSITS OF NORTH IDAHO by Charles R. Hubbard, 1956. *Idaho Bureau of Mines and Geology Pamphlet 109*. Large size, 36 pages, maps, tables, softcover. \$13.00 pp.

FB8 RECONNAISSANCE GEOLOGY OF THE LEESBURG QUADRANGLE, LEMHI COUNTY, IDAHO by Phillip N. Shockey, 1957. *Idaho Bureau of Mines and Geology Pamphlet 113*. Large size, 42 pages, photos, illustrations, plate in back pocket, softcover. \$20.00

FB9 NOTES ON THE DEVELOPMENT OF PHELPS, DODGE & COMPANY COPPER AND RAILROAD INTERESTS by James Douglas, (Reprinted from a January, 1906 report. By 1906, James Douglas was the dean of the western mining industry, his name synonymous with one of the richest and largest mines the world had ever seen. 35 pages, softcover. \$9.00 pp.

FB10 GEOLOGY OF THE GARNES MOUNTAIN QUADRANGLE BONNEVILLE, MADISON, AND TETON COUNTIES, IDAHO by Mortimer H. Staatz & Howard F. Albee, 1966. 122 pages, photos, index, plates in back cover, softcover. \$18.00 pp.

FB11 URANIUM AND THORIUM DEPOSITS IN EAST-CENTRAL IDAHO & SOUTHWESTERN MONTANA by Albert F. Trites, Jr. and Edwin W. Tooker, 1953. *Geological Survey Bulletin 988-H*. 55 pages, illustrations, index, plate in back pocket. \$15.00 pp.

FB12 MINING HISTORY OF SOUTH-CENTRAL IDAHO by Clyde P. Ross, 1963. *Idaho Bureau of Mines and Geology Pamphlet 131*. Large size, 47 pages, photos, illustrations, softcover. \$22.00 pp.

FB13 SILVER QUEEN: THE FABULOUS STORY OF BABY DOE TABOR by Caroline Bancroft, 1995. An interesting story about this most interesting lady from Leadville, Colorado. 80 pages, photos, softcover. \$11.00

FB14 GLACIAL GEOLOGY OF STANLEY BASIN by Paul L. Williams, 1961. *Idaho Bureau of Mines and Geology Pamphlet 123*. Large size, 47 pages, photos, illustrations, fold-out map, softcover. \$15.00 pp.

FB15 GOLD PLACER DEPOSITS OF THE PIONEER DISTRICT MONTANA by J.T. Pardee, 1951. *Geological Survey Bulletin 978-C*. 31 pages, photos, illustrations, index, plate in back pocket, softcover. \$12.00 pp.

FB16 IMAGES OF AMERICA: SUTTER CREEK by Kimberly Wooten and R. Scott Baxter, 2006. The town is named for the famous John Sutter, whose discovery of gold at Coloma started the gold rush. 128 pages, photos, softcover. New copy! \$20.00

FB17 DISMAL SWAMP PLACER DEPOSIT ELMORE COUNTY, IDAHO by Frank C. Armstrong, 1957. *Geological Survey Bulletin 1042-K*. 10 pages, tables, plate in back pocket, softcover. \$10.00 pp.

FB18 GEOLOGY AND OIL POSSIBILITIES OF BINGHAM, BONNEVILLE AND CARIBOU COUNTIES, IDAHO by Virgil R.D. Kirkham, 1924. *Idaho Bureau of Mines and Geology Bulletin 8*. 116 pages, tables, plates in back pocket, softcover. \$20.00 pp.

FB19 A BRIEF HISTORY OF BISBEE by Gary Dillard, 1994. 15 pages, photos, softcover. \$6.00 pp.

FB20 KYANITE – GARNET GEDRITITE NEAR OROFINO, IDAHO by Anna Hietanen, 1959. 25 pages, illustrations, softcover. \$10.00

FB21 SELENIUM IN SOME EPITHERMAL DEPOSITS OF ANTIMONY, MERCURY AND SILVER AND GOLD by D.F. Davidson, 1960. *Geological Survey Bulletin 1112-A*. 16 pages, tables, index, softcover. \$10.00 pp.

FB22 KAOLIN AND CHINA CLAY IN THE PACIFIC NORTHWEST by Hewitt Wilson & George Edward Goodspeed, 1934. *Bulletin 76 University of Washington*. 184 pages, tables, photos, softcover. (Edges of covers have slight tears) \$20.00 pp.

FB23 MINOR ELEMENTS IN BEDROCK SOIL AND VEGETATION AT AN OUTCROP OF THE PHOSPHORIA FORMATION ON SNOWDRIFT MOUNTAIN SOUTHEASTERN IDAHO by Frederick B. Lotspeich & Ellen L. Markward, 1963. *Geological Survey Bulletin 1181-F*. 42 pages, tables, illustrations, plate in back pocket, softcover. \$10.00 pp.

VT VINEGAR HILL ZINC COMPANY DAILY TIME TICKET – Vinegar Hill Zinc Company was located in Platteville, Wisconsin. Circa 1918. List of mine departments is down the side of the ticket and various jobs to list time under are across the top of the ticket. Green with black lettering. (One available) \$7.00 pp.

H23 REBELS ON THE RANGE: THE MICHIGAN COPPER MINERS STRIKE OF 1913-1914 by Arthur W. Thurner, 1984. This is a full-scale study of the labor conflict which turned the copper-mining communities of Michigan into veritable battlefields for months. 314 pages, photos, index, softcover. \$22.95 pp.

H14 A HISTORY OF MINING IN IOWA COUNTY by Stanley T. Holland. 1983. As one of the oldest mine operators and a lifelong resident of Iowa County, the author writes about the lead and zinc mining that took place in areas like: Mineral Point: Linden: The Mifflin District: The Highland District, etc. 65 pages, photos, softcover. \$16.95 pp. (Out-of-print)

H369 HUBBELL: A COPPER COUNTRY VILLAGE by Donald Chaput, 1969. Hubbell was the home for Calumet & Hecla's smelter and mill. 103 pages, photos, index, softcover. \$17.00 pp. (Out-of-print)

MMP MARQUETTE IRON MINING PARTNERSHIP: REPUBLIC, Michigan No date. The Republic Mine is an open pit iron ore mine that was operated by Cleveland-Cliffs Iron Company. The mine is now closed. An interesting booklet full of color photos. This publication takes you through all of the mines operations. \$10.00 pp. (Out-of-print)

H164 CANDLES, CARBIDE AND COPPER: KEWEENAW NATIONAL HISTORIC PARK by Wilbert B. Maki, 1993. An interesting story of Michigan's copper mines and copper mining history. Large size, pages not numbered, photos, glossary of mining terms, softcover. Out-of-print. \$17.95 pp. (Two copies available: Out-of-print)

H166 THE MENOMINEE IRON RANGE by Walter R. Nursey. Reissued by the Mid-Peninsula Library Federation, 1972. (Originally published 1891) The Menominee Iron Range includes the towns of Norway, Iron Mountain, Crystal Falls and Iron River, Michigan, along with Florence, Wisconsin. Large size, 162 pages, photos, maps, old advertisements, hardcover. \$25.95 pp.

MP31 SALISBURY MINE MAPS OF SURFACE AND UNDERGROUND WORKINGS by Robert D. Dobson, 2008. The Salisbury Mine is a iron ore mine located in Marquette County, Michigan. The miners endured many deaths in the mine, two fires, a large surface cave-in and a great flood that destroyed a large shaft. Set of 10 maps. \$16.00 pp.

H982 NEW PERSPECTIVES ON MICHIGAN'S COPPER COUNTRY by A. Hoagland, E. Nordberg & T. Reynolds, 2007. The essays in this volume represent some of the best scholarship on the history, industries, culture and people of this copper mining corner of the United States. Large size, 180 pages, photos, maps, softcover. \$29.95 pp. (Two available)

H253 A TOUR GUIDE TO THE MINES OF LAFAYETTE COUNTY, WISCONSIN by Loren Farrey, 2004. This is a driving tour of the old lead and zinc mining sites in the Benton, New Diggings, Leadmine and Shullsburg area. Large size, 58 pages, photos, maps, softcover. \$21.95 pp.

H1262 COLORADO'S GREAT DEPRESSION GOLD RUSH: THE OLIVER TWIST TUNNEL by V. Larry Frank, Jr. 2017. George and Robert Elder put their savings and their sweat into the London Mountain Gold Mining Company, working devotedly to coax a bonanza from the old Oliver Twist Tunnel atop the 13,185 foot-high Mosquito Pass. 176 pages, 125 historic photos, illustrations, softcover. \$19.95 pp.

H310 A GOLD CAMP CALLED SUMMITVILLE by Richard C. Huston, 2012. In this book, the area's geology, its mining bonanzas and personal recollections and revelations are woven together to paint an accurate picture of the company town of Summitville, its top-producing gold mines, and those who worked and lived at its rugged and demanding elevations above 11,000 feet. 190 pages, photos, index, softcover. \$18.95 pp.

TM TILDEN MINE The Tilden Mine is located in Marquette County, Michigan. Mining in this open pit iron ore mine began in 1974. This booklet, filled with color photos takes you through all of the mining departments. \$10.00 pp.

H358 THE CLIFF: AMERICA'S FIRST GREAT COPPER MINE REVISITED by Sean Gohman & Donald Chaput. Taken from the original 1971 first edition. This is the story of the Pittsburg & Boston Copper Mining Company and their most famous property, the Cliff Mine of Lake Superior. Large size, 196 pages, photos, illustrations, index, softcover. \$32.95 pp.

BMB COPPER RANGE COMPANY (BALIC MINE BRANCH) PAYMENT SETTLEMENT FORM – Dated 1928. This form lists the miner's earnings, less his deductions such as rent, fuel, supplies, physician, etc. Black lettering on a yellow background. \$6.00
